"Satisfied" (John 6:1-21; John 13:34-35)

"I give you a new commandment, that you love one another. Just as I have loved you, you also should love one another. By this everyone will know that you are my disciples, if you have love for one another." (John 13:34-35)

Despite the recent cool and rainy weather, we are right in the middle of most people's favorite season, summer. It's a time for travel and retreats and outdoor eating. And for those who follow the lectionary calendar, summer is when one of the four gospel accounts of Jesus' miraculous feeding of 5,000 finds its way into a sermon message. This Sunday our focus is the account of John. You know this story. You've probably heard it many times, perhaps beginning when you were very young. It's a story about travel and retreats and outdoor eating! This Sunday we will consider an aspect of the story that may have slipped past you in all the other tellings.

Come and join us in Jonesville UMC at 9:30am on Sunday or meet us in the streaming service at Jonesvilleumc.org at the same time.

Many blessings,
Denise Walling

Fundraising for The Prayer Park Eagle Scout Projects being done for Jonesville UMC

The Prayer Park project has developed from an idea of the Membership Development Committee to create an outreach to the community that might result in more people coming **inside** the church to join all of us! When fully completed, the Prayer Park will include a maintenance-free solar-lit Prayer Wall, a paver patio with a walkway to the street, landscaping, a bench and a mini Christian library.

This is quite a big project! There are currently two Eagle Scout projects ready to begin. The first will be the Prayer Wall which will contain a locking mailbox, materials to write a request and a portion of the wall for info about JUMC and flyers about events and activities. The brief video attached to the Midweek email is from Ian Thompson, a member of Troop 6, who is requesting donations for his portion of the project. He hopes to complete the build the last week of July. The second project will include the paver patio, walkway and landscaping. That will be completed by Gavin Rueda, a member of the Shen UMC Scout Troop.

Donations can be made online or by giving a check to the church with "Eagle Scout Project" in the memo line.

Should you have questions about these Eagle Projects, please contact Carol Bates, Pat Hatlee, Bill Volk, or Jim Swett.

Mission of the Month for July – Emmaus United Methodist Church

The Emmaus United Methodist Church is located at Morris and West Lawrence Streets in Albany. Emmaus is a multi-language, multi-cultural congregation. The church was instrumental in the start-up of the Refugee and Immigrant Support Services of Emmaus (RISSE). It is a busy place needing building repairs. The strategy developed is to repair one sanctuary wall at a time (exterior and interior) as funds allow. Work has been completed on the wall with the largest stained glass window. If everyone is happy with this first wall, the Morris Street side wall will be next. On going funded is needed for Emmaus to continue the interior/exterior repair work. Please consider giving on our website or sending a check to JUMC noting "July Mission of the Month." Thank you for your support of this historic church and its work in the community.

Please bring your redeemable soda cans/bottles to Fellowship Hall to donate to the mission of the month. Remove the pop tops from the soda cans and save for Shriner's Hospital. These little pop tops mount up to pounds of aluminum!

If anyone has soda cans/ bottles that they would like to have returned but are unable or do not want to bring to the church, please call Barb Phillips. She will pick them up and donate the money to the Mission of the Month.

A Call for RISSE Volunteers

:RISSE is so happy to be asking for volunteers for the 2021 Summer Enrichment Program. The session goes from July 12 to August 20. Hours are 8:30 to 4 Monday through Friday. There will be a morning and an afternoon shift available every day but there are certainly tasks for volunteers who can only give an hour a week. They always need lots of help with academics in the morning and field trips/playground activities in the afternoon. Gate and playground monitors, classroom helpers, field trip chaperones are all needed. If you have skills in music, dance, science, art, sports, would like to share your knowledge with the kids, please contact Anne. All volunteers must be fully vaccinated. As of right this minute, masks are not required but that could change if guidance from NYS or Albany County changes. RISSE also needs adult volunteer substitute teachers for our program. Full background checks and fingerprinting are required for those volunteer positions. Contact Ann Krischer, Volunteer Coordinator of Refugee and Immigrant Support Services of Emmaus call/text 518-424-6663
