Dear Youngjae,

**Wow!** What an amazing thing you've done!

Thank you for your amazing gift of \$500.00 to Cheryl's Lodge Outreach Center of CAPTAIN Community Human Services.

Your generosity is already hard at work making a difference. Hundreds of kids, families, and seniors in the Halfmoon Heights community are finding the tools and resources to move through crisis to self-sufficiency. Because of you, school-aged kids are getting help with homework and developing the literacy skills they need to succeed. Because of you, kids and families are accessing important nutrition during the summer months and throughout the year when times are tough. Your support ensures that our summer camps, including Peace Camp and Camp CAPTAIN Cares, continue to provide high-quality activities to youth at no cost. And, as we begin to reopen, you've made it possible for Cheryl's Lodge to be a true outreach center - reaching seniors, teens, parents, and more, with important programs and services right where they live.

When it's safe and you're comfortable, I'd love to share a few stories with you and show you in person what a difference you've made. In the meantime, I'll be updating you by email every month if you've shared your address, and by traditional mail every quarter. If you ever have questions, please call me at 518-371-1185 or email [andy@captaincares.org](mailto:andy@captaincares.org).

Thank you for giving a little of yourself to lift people up and build brighter futures. Thank you for strengthening our community. Thank you for your trust in this good work.

With all my gratitude,

Andy Gilpin  
Executive Director

Thank you for this  
generous donation!

P.S. Did you know there's a simple clause you can add to your will that lets you leave a legacy for kids, families, and seniors in our community? It's true, and all you have to do is visit [captaincares.org/anchor](http://captaincares.org/anchor) to request your free guide.
