Dear Friends,

Thank you for your gift of \$500.00 received on May 20, 2021. During the month of May you are helping us continue to provide food, shelter and clothing for homeless and hungry men, women and children. In the process, you are making it possible for people to build new faith, new friendships, and new vision for the future.

Even as people are being helped at the Mission, many are embracing the opportunity to help others. Of course, the role models for this desire to "give thanks by giving back" are the former City Mission residents who now serve on staff here. We thank God for their good work and their good examples.

In addition to the everyday work at City Mission you are also helping make this a time for new endeavors. We recently began operation of our Freight Farm -- using hydroponics and special lighting to grow vegetables throughout the year. The Freight Farm provides an affordable way for us to provide more nutritious meals, and help build better health for our residents and neighbors. We will be sharing much more about this program in the days to come.

We are also excited to see progress being made in the construction of our new Transitional Housing and Wellness Center. This project will offer invaluable help for women who are working hard to build new lives for themselves and their children.

Thanks for your partnership. May God bless you for investing in the lives of others.

Together Giving Hope,

Mike
