Dear Jonesville United,

What a gift the months of May and June have been! The sunny weather, lush grass and beautiful flowers make it seem as if the whole world is rejoicing. We have so many reasons to praise God!

At KPC we care for our patients physically, mentally and spiritually. One way we care for patients spiritually is by praying for them. Our providers pray for their patients during their visits, and we have a bulletin board in our waiting room where patients can share their prayer requests. Patients have used the bulletin board to ask us to pray for a healthy pregnancy, delivery from addiction and healing and restoration of their family relationships, among other things. A group of our staff and volunteers meet every morning to pray for our patients, community and staff. We believe that prayer truly changes things, and we're so glad to have a God who hears our supplications. We are now focusing our prayers on our summer Family Fun Night community dinners which begin Tuesday July 13<sup>th</sup> and hope that you know that you also, are always welcome to attend!

We know that you support us in many ways, including praying for us. We are so thankful for you and all the ways you support KPC – thank you so much!

Warmly,

Corrie Paeglow DrPH, MPH  
Executive Director
