Dear Rev. Jee,

### Your Compassion is a Lifeline.

In these challenging times, so many in our community are facing difficult choices – whether to heat their homes, pay their rent, or put food on the table. Your gift of \$1,000.00 to the FEASST Program is providing comfort and relief to neighbors in need.

Because of you, families and seniors are finding emergency assistance to keep the lights on and maintain safe housing. Vouchers for clothing and home essentials are easing burdens. Through our partnership with FEASST and other local organizations, personalized support is reaching those facing unique challenges.

Your kindness means that even when full solutions aren't immediately possible, our neighbors are guided toward services, advocacy, and critical resources. Your gift carries hope when it's needed most.

We can't wait to share the stories of resilience and recovery that your support makes possible. Look for these inspiring updates in our newsletters, and stay connected by visiting [captaincares.org/blog](http://captaincares.org/blog).

If you have any questions or want to learn more about the impact of your generosity, please reach out. I'd love to connect. Call me at 518-399-4624 or email [andy@captaincares.org](mailto:andy@captaincares.org).

Thank you for being a source of strength and light in our community. Your unwavering support is transforming lives every day.

With deep gratitude,

Andy Gilpin  
Executive Director
