Dear Jonesville United Methodist:

We are deeply grateful to Jonesville United Methodist for your generous gift card donations, which will greatly support the refugees and immigrants in the Capital District.

Your contribution to RISSE helps us advance our mission of supporting refugees and immigrants to build new lives and thrive in the Capital District. Together, we are realizing a vision of our community being a model for welcoming, supporting, and celebrating our newcomer neighbors.

In the past year, RISSE has helped support a record number of newcomers through our various programs, with clients arriving from over 90 countries and speaking over 50 languages. Thanks to the hard work and dedication of our staff, volunteers, and donors like you, RISSE will continue to build capacity and provide responsive, client-centered services to any newcomers seeking support, regardless of language, country of origin, length of time in the US, or immigration status.
